OBJECTIVES

I am a student of Systems Analysis and Development and hold a technical degree in Informatics with a focus on programming. I am seeking my first opportunity in the development field as a trainee or junior developer, where I can apply my knowledge, learn new technologies, and contribute with solutions to the company.

EDUCATION

UNIVERSIDADE VEIGA DE ALMEIDA | 2024 (JAN) - 2026 (JUL - EXPECTED)

Bachelor's in Systems Analysis and Development

COLÉGIO SANTO INÁCIO | 2022 (JAN) - 2023 (DEC)

Technical in IT - Web Development

EXPERIENCE

ALLTERNATIVA FILMES X

- **Audiovisual Editor (2022 - 2025)**

Worked in editing and finalizing institutional videos, documentaries, and TV commercials, as well as streaming films. Also developed animations with motion graphics and used the Adobe suite (Premiere, After Effects, Photoshop, Illustrator, and Audition) to enhance image quality and sound in productions.

- **Administrative Intern (Feb 2019 - Jul 2020)**

Assisted the administrative sector in scheduling, organizational activities, and controlling documentation related to payments.

- **IT Intern (Aug 2023 - Jul 2023)**

- Intern in the IT technical course, acting in user support and infrastructure maintenance for microcomputers and networks. Supported the verification of functionalities and contributed to the construction of websites with HTML, CSS, and JavaScript. Also assisted in audiovisual projects using video editing and animation software.
